G. Establishment of Online Grievance Redressal Mechanism

- The Grievance Redressal Cell was constituted to probe into the student grievances. The Grievance Redressal Cell attempts to address genuine problems and complaints of students whatever be the nature of the problem.
- Following the directions of UGC, AICTE and Anna University the Grievances Redressal Cell is established in order to deal with the individual grievances related to students and faculty members and to ensure the redressal of grievances amicably in a time bound manner. The online Grievance Redressal mechanism can be able to receive and dispose of the grievances online. The Flex board is fixed near the office with the committee members list, contact numbers and email-id's of members indicating the details of the online Grievance Redressal mechanism. URL of the online Grievance Redressal Portal to ensure publicity/awareness of the establishment of Grievance Redressal mechanism.
- Suggestion Boxes are provided in every building and grievance records are placed at vantage points in the college (including the Library and Hostels) for the students/staff to air their grievances. Complaints dropped in the 'Suggestion Box' by students and oral complaints are also redressed.
- All complaints are scrutinized by the management, the grievance redressal cell. HoDs and Principal regularly attends periodically. The college assures students that once a complaint is made, it will be treated with confidentiality. Besides there is an exclusive mechanism to address the issues relating to women and their grievances.

- The complaint management mechanism is carried out in three levels in the institution:
 1. The departmental level grievances are attended by the concerned class Coordinators, Counselors and Department Heads.
 2. The student coordinators and staff coordinators of grievance redressal cell act as facilitators to communicate and sort out the grievances at the department level.
 3. Unresolved grievances at the departmental level are referred to the Grievance Redressal Cell of the institution.

- Scrutiny of the redressal process by reviewing the grievances
- Call for hearing or enquiry if the resolution is not satisfactory in a stipulated time
- Forward to the student counselor if required
- Final resolution/decision by grievance redressal committee
- Communicating the final decision to both parties
- Closing of grievance and preparation of report
- Feedback for improving the redressal process from time to time

H. Details of Grievance Redressal Committee in the Institution and OMBUDSMAN by the University

Ombudsman was not appointed by the University

I. Establishment of Internal Complaints Committee (ICC)

Internal Complaints Committee (ICC) has been formed to address issues under THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013.

- The purpose of this committee is to provide protection against sexual harassment of women at workplace and for the prevention and redressal of complaints of sexual harassment and for matters connected therewith or incidental thereto. The committee provides a platform to express their grievances freely without any fear of being victimized. The women employees / students can raise their grievances through SMS / Call / Email / Letter / Website. The committee takes the responsibility for ensuring the prohibition and redressal of any kind of women grievances in the institute.
- On receipt of a complaint ICC shall conduct preliminary enquiry so as to ascertain the truth of the allegations by collecting the documentary evidence as well as recording statements of any possible witnesses including the complainant. ICC shall then submit the preliminary enquiry report to authority along with all the original documents adduced during the preliminary enquiry proceedings. In case the allegations are not in the nature of sexual harassment, ICC may refer such complaints to the Grievance Redressal Cell.
- ICC shall comply with the procedure prescribed in the aforementioned UGC Regulations 2015 and the Sexual Harassment Act for inquiring into the complaint in a time bound manner.

Definition of Sexual Harassment: "Sexual harassment" includes any unwelcome sexually inclined behaviour, whether directly or indirectly, such as:

- Physical contact and advances
- Demand or request for sexual favours
- Sexually coloured remarks
- Showing any pornography, or
- Any other unwelcome physical, verbal or non-verbal conduct of sexual nature

What are the possible actions that can be taken against the respondent?

- Warning
- Written apology
- Bond of good behavior
- Adverse remark in the Confidential Report
- Stopping of increments/promotion
- Suspension
- Dismissal
- Any other relevant actions

Inquiry process:

The inquiry shall be completed within a period of ninety days from the date of the complaint. On completion of the inquiry, the ICC shall provide a report of its findings to the complainant within a period of ten days from the date of completion of the inquiry and such report be made available to the concerned parties. If the allegations against the respondent have been proved, it shall recommend for punitive actions.

J. Establishment of Committee for SC/ST

- Scheduled Castes (SC) and Scheduled Tribes (ST) have been identified as the two most backward groups of Indian Society. They include all the castes, races or tribes, which have been socially, economically and educationally backward. The cell at our Institution has been established to support and to bring students from such communities in the mainstream.
- The SC/ST cell of United Institute of Technology, was established in 2011 with the purpose to empower the SC/ST students in the college. The college takes a special interest in facilitating financial support to students belonging to these communities from government agencies and other sources. They are also encouraged to enroll for career orientation programs, which would equip them with the necessary skills to choose a career option.
- The cell will also look into the implementation of reservation in admissions to courses at our Institution in Tamilnadu for SC/ST students.

Activities:

- To collect reports and information of State Govt. AICTE and UGC orders on various aspects of education, employment of SC/ST Students
- To circulate State Govt. AICTE and UGC decisions about different scholarship programs.
- To communicate with the students and motivate them for better future planning.
- To counsel and guide SC/ ST students and help them to manage academic and personal issues of college life effectively.
- To ensure provisions of an environment where all such students feel safe and secure.
- To provide prompt counselling for any emotional emergencies arising on account of any event at the campus.
- To provide the mechanism to redress the grievance of SC/ST students, if any
- To ensure protection and reservation as provided in the Constitution of India.
- To arrange for special opportunities to enhance the carrier growth
- To aware the SC/ST students regarding various scholarships program of State Govt. AICTE and UGC.
- To take such follow up measures to achieve the objectives and targets lay down by the Govt. of India, AICTE and the UGC.
- To encourage and enlighten the SC/ST students with regard to the rights enshrined in the constitution.

L. Equal Opportunity facilities Cell

The Equal Opportunity Cell has been set up in the institution to address the issues of Gender, Religious and Community equality. United Institute Technology is committed to provide a suitable enabling environment to all students with special needs and those from deprived backgrounds. Equal opportunity cell of the college is mandated to take necessary steps in this directions. A significant number of the students here hails from the SC/ST background or persons with disabilities. It is aimed at ensuring the diversity among the teaching, non-teaching and student community and eliminate all forms of discrimination among all the stakeholders of the college. It is aimed at creating a conducive atmosphere for the growth of healthy inter-personal relations among the students coming from various social backgrounds.

The institution is committed to achieve a vibrant and inclusive growth to all the sections through equal opportunity, knowledge creation and dissemination, to promote diversity and inclusive practices.

Objectives

- Address issues of Gender, Religious and Community equality
- To redress Gender related discrimination

Functions

The Equal Opportunity Cell conducts seminars, workshops, guest lectures, activities and awareness programmes from time to time on issues of contemporary significance and importance.

M. Women Empowerment Cell

Women Empowerment Cell was inaugurated at UIT on 08 March 2012 by Dr. Asha Rao, M/s. Rao hospital, Coimbatore with an informative speech on the topic, “Awareness on Women’s health”.

Women Empowerment cell aims to empower the women community of the institution and also ensure the campus a safe place for girl students and women faculty. The cell aims at creating a confidence to face the real life circumstances. It also provides a platform for women to share their experiences and views regarding their status in the society and to suggest ways to improve and empower themselves. Aligning with UN women, WEC of UIT commemorates many international days and also organizes seminars, awareness programs and other welfare activities. The Women Empowerment Cell also follows guidelines and directions of the Anna University, Chennai, regarding the security arrangements for girl students and women staff of the Institution.

20. Teaching Learning Process:

The following Teaching, Learning and Evaluation schedules are followed in the institute:

- An Academic Calendar is prepared before the start of the semester with 19 weeks of instruction or 80 teaching days.
- The academic calendar provides date of commencement of the academic session, duration of semester, dates of continuous internal assessment, semester end examinations etc.
- The Academic Calendar consists of the curricular, co-curricular and extra-curricular activities to be carried out during the semester.
- Department activity calendar consists of co curricular activities like guest lectures, Seminars, conferences, workshops, visiting faculty lectures etc.
- The course faculty prepares the schedule of instruction, course file and course full stack consisting of lecture notes, course description, tutorial question bank, definitions and terminology, tech talk, concept videos topics, model question papers. The course file is prepared before the start of the classes.
- The content delivery schedule of instruction will be published one week before the commencement of semester.
- IQAC in co-ordination with Academic Committee monitors and analyses the strength and weakness of various departments and makes its suggestion for necessary improvements wherever required. The IQAC also co-ordinates with all departments regarding implementation of the various orders issued by the competent authority.
- The faculty members make use of Bloom's Taxonomy in teaching to test the student cognitive learning skills. The various online resources such as MOOCs and virtual labs are being used.
- The course quizzes and automated rapid testing tool for correct learning of definitions and terminology are being used.

- The latest technological advancements and innovations are discussed in the classes and are made to present for evaluation.
