Report on

“IPR AWARENESS PROGRAM”

18th APRIL 2022

Entrepreneurship Development and Innovation Institute (EDII) and MHRD - IIC cell conducted one day seminar on “IPR Awareness Program” on 16..06.2022 at 2.30 pm for all students. Mr. M. Madhanraj, Examiner – patent & Design, Indian patent office, Chennai is the chief guest for this IPR session. An awareness is created upon all students of EDII and MHRD-IIC cell.

On the Dias from left, EDII Coordinator, principal, MHRD-IIC Coordinator, Resource person and R & A HOD

Dr. Sathishkumar.P, Entrepreneurship Development and Innovation Institute (EDII) cell coordinator organized a one day seminar on “IPR AWARENESS PROGRAM” on 18th April 2022 at 2.30 p.m. More than 100 participants from EDII cell members and students from various departments participated effectively

Principal address during the IPR awareness session

A warm and cordial welcome was given to all the participants by the MC desk and the event was started by playing Tamil Thai Vazthu. After the song, Dr. S. Ramkumar, principal – United Institute of Technology welcomed the gathering.

Chief guest Introduction session on IPR awareness program

Mr. R. Karthik, Assistant Professor, Department of Mechanical Engineering presented the bio-data of the resource person. The resource person's profile was read out and his achievements were communicated to the participants as one's valuable past makes them important today and it

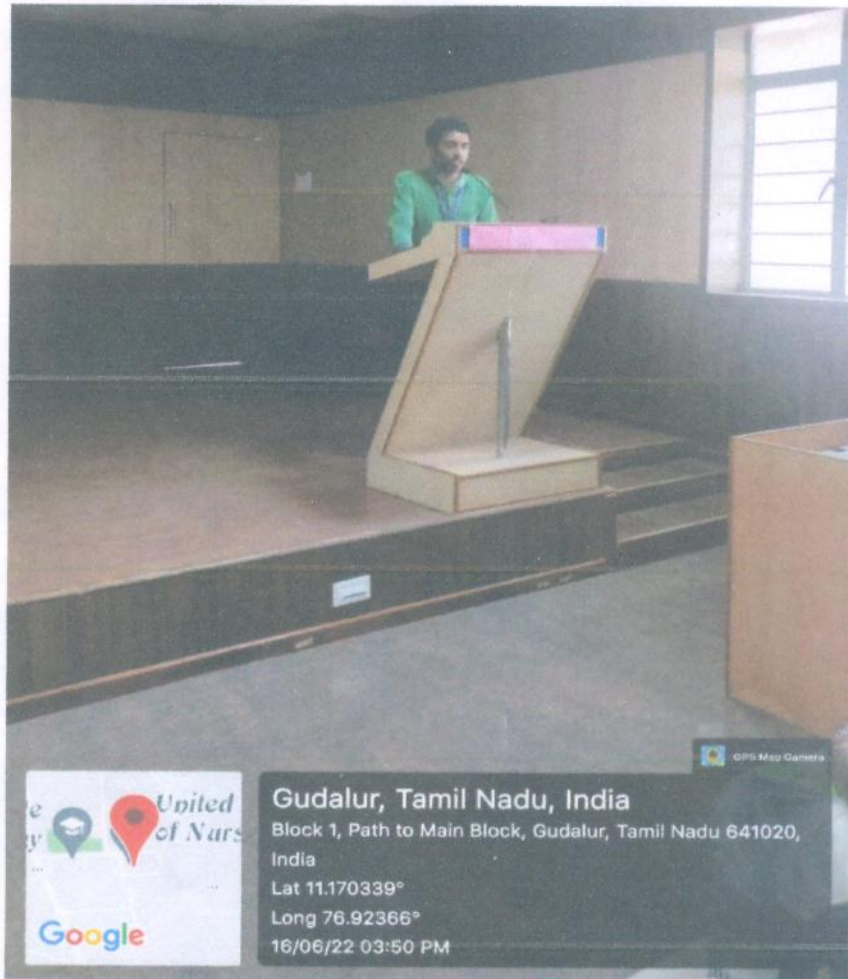

will make an impact on the future generations. Shri S. Shanmugam, Founder and Chairman of United Educational Institute gave a brief presidential address and the importance of IPR with respect to the student's community.

Students listening to IPR awareness session

Then the mic was headed over to the chief guest, Mr. M. Madhanraj, Examiner – Patent and Design, Indian Patent Office, Chennai. The chief guest started his presentation. He made the participants to know more about IPR awareness using many real life applications. The seminar was interesting and interactive too. He made the participants to interact and involve more by posting general questions. He spoke about trademark, patent rights and also about ways to make the participant brain more efficient.

He ended the session by teaching some best practices to increase creative and critical thinking. Then query session was opened for the participants and later feedback about the seminar was shared by the attendees and their queries were cleared by the chief guest. The feedback form was given to the participants and they filled the same.

Vote of thanks by EDII Coordinator Dr. Sathish Kumar

Then vote of thanks was proposed by Dr. P. Sathish Kumar , Associate professor, Department of Robotics and Automation. Finally the national anthem was played and the session was ended with a good note.
