## Youth Red Cross

### **ROLE OF YOUTH RED CROSS**

The Youth Red Cross of UNITED INSTITUTE OF TECHNOLOGY is meant to serve the society with service mindedness and here the students are trained to disseminate and practice the seven fundamental principles of Red Cross Society, humanity, impartiality, neutrality, independence, voluntary service, unity and universality, informing youth and others the roles and responsibilities of the Red Cross and encourage them to contribute so that they can have an awareness on the care of their own health and that of others. Understanding and acceptance of civic responsibilities and acting accordingly with humanitarian concern

### **OBJECTIVE**

The main objective of the club is to protect the health and life, service to the sick and suffering and promoting friendship. This includes

- ✚ Awareness on the care of their own health and that of others
- ✚ The understanding and acceptance of civic responsibilities and acting accordingly with humanitarian concern, to fulfil the same
- ✚ To enable the growth and development of a spirit of service and sense of duty with dedication and devotion in the minds of youth
- ✚ To foster better friendly relationship with all without any discrimination.
