### REPORT

Creating awareness for child Abuse among school children is an important role. So United institute of technology arranged WEC gave counselling with the help of WEC coordinators and arranged half day visit to The United Public School. Almost all the students understood regarding this awareness they realised the protection from this Abuse and Covid-19 precautionary measures.

The members of the organisation called personally the following classes (4<sup>th</sup> and 5<sup>th</sup>) and gave them counselling how to protect themselves during these situations. 20 women students from United institute of technology initiated and explained regarding the female abuse and Covid-19, the bad treatment like good and bad touches for girl children and protection from the corona virus. Through their counselling all the student of 5<sup>th</sup> and 6<sup>th</sup> realised about this bad treatment in various situations from parents, teachers, unknown persons and also they understood clearly wearing MASK during the time of travelling and crowd areas.

The students of united institute of technology explained about the various destructions happened in various places of all around the world and also many children were dead because of this cruel treatment and the disease corona virus. Even parents were affected lost their children, all these examples were explained to the students from that, the students got good counselling from united institute of technology. The students of United institute of technology collected various information's regarding child abuse seriousness of corona virus from news papers, articles, books, and internet. This only helped them to give relevant counselling to the children, the students were shown animated videos regarding child abuse.

The program was successfully completed with the help of organising secretary, students of united institute of technology and the students of The United Public School, the children and the management of the school supported and encouraged the volunteers of **WOMEN EMPOWERMENT CELL**.

## Report on International Women's Day

10-03-2022

The International Women's Day was celebrated on 8th of March 2022. The celebration started a day before with a "Zumba dance" event was organised in the college Seminar Hall. Girl students actively took part in the event. The Zumba dance is a fun way of developing the mental and physical health of an individual. This event was organised to point out the importance of maintaining a healthy life style in all ways.

On the other hand the main purpose of celebrating Women's Day is to create awareness about the status of women among in the society. The girl students were taken to a trip on 8th March 2022 to the amusement theme park "Kovai Kondattam" and atlast the day ended up with cake cutting in our institution.
