Faculty	(F5) The curriculum provide effective use of ICT based pedagogy with vast use of E- content developed by me/LMS	To motivate the faculty members to make more usage of ICT tools rather than black board teaching.	A meeting is conducted between IAQC and all Head of the department to motivate the faculty members regarding the maximum usage of ICT tools and its benefits.
Alumni	(A3) The learning outcomes are not relevant to employment needs	Have to analyze current teaching practices and learning goals.	IAQC cell prepared a circular to all HOD's of various departments to re-examine the links between goals and value added course design.
Employer	(E8) The students working in your organization have demonstrated professional skills including Ethics and Communications	To give students access to boundless intellectual possibility, allowing them to charge ahead into new material that is not offered at their school	A meeting is conducted with the faculty members to give them few opportunities to tailor pedagogy to required students and to follow through on behavior coaching.
