FACULTY FEEDBACK ON CURRICULUM

This questionnaire is intended to collect information related to your satisfaction towards the curriculum, learning & evaluation. Information collected will be kept confidential and will be used as feedback for quality improvement in teaching & learning at the Institute.

Name : K. Mahalakshmi

Designation : Assistant Professor

Department : S&H (Physics)

Sl.No	Statement	Strongly agree	Agree	Disagree	Strongly Disagree	Unable to comment
1	The design of curriculum is appropriate to cover all relevant topics for the assigned courses.	✓				
2	The facilities and learning resources available in institute is adequate for effective teaching.		✓			
3	I am satisfied with the assessment practices adopted by the University for measuring student's performance.	✓				
4	The curriculum/Course is follows Outcome Based/Competency Based education.	✓				
5	The curriculum provides effective use of ICT based pedagogy with vast use of E- content developed by me/LMS		✓			
6	The evaluation process is effective and robust with the advancement of ICT and reforms		✓			
7	The learning outcomes are evaluated periodically and corrective measure are initiated for the continual improvements	✓				
8	The depth of the course is relevant in meeting the Program Outcomes and Program Specific Outcomes		✓			

Any suggestions:

Place : Coimbatore

Date : 2/2/2021.
