The plastic waste has emerged as one of the biggest environmental issue which is impacting the soil, water and health of the human beings.

To reduce the usage of plastic, the University Grants Commission has issued special guidelines to all the higher education institutions to ban on single use plastics in the college premises.

Thus, it has been decided to take following steps to ban on single use plastics in the college premises.

1. To ban use of single use plastics in college canteen.
2. Students and staff members to avoid bringing non-bio degradable plastic items in college premises.
3. It is instructed to avoid the use of plastic water bottles, bags and encourage the use of cloth bags and paper bags.
4. To keep the sign boards at various places to give wide publicity to ban on use of plastic in the college premises.
5. It is also planned to conduct the awareness programs on the harmful impacts of single use plastics.
