Report on Learning Management System

The widespread adoption of Learning Management System (LMS) in education environment has been creating lot of opportunities for educationalists. It provides structured delivery and management of instructional resources, organized way of assessment to check the achievement of learning goals, tracking the progress of the learner, and providing the necessary information to the management about the teaching-learning process. The LMS can be implemented through different software framework. Among the different frameworks, Modular Object-Oriented Dynamic Learning Environment (MOODLE) is a Web-based platform for Teaching - Learning / Training programs. MOODLE allows teachers to organize and store course content in a secure web-based environment in-which their students can access from anywhere at any time. It is a popular and secure learning management system for the development and delivery of course activities and resources. Teachers can post, collect, and grade assignments, administer quizzes, host online discussions, share resources, and more. This course delivers the complete demonstration of MOODLE LMS application.

Duration of the Programme: The event lasted five days. This is in keeping with the time constraints of the faculty members.

Participants: 94 faculties.

Resource Persons: The programme was more hands-on and practice-oriented. The program's resource people were from UIT. Dr. S.Ramkumar, Dean/Academics, KPRIET. was the resource person for the programme.

Mode: The programme was conducted in face-to-face mode.

Date: The event took place on June 18, 2018 to June 22, 2018.

Venue: The Programme was organized in the Seminar Hall.

Event coordinator: Mr.S.K.Pravinkumar, AP/ECE,

CIRCULAR

15.06.2018

This is to inform that IQAC Cell of United Institute of Technology in association with Department of Electronics and Communication Engineering is organising a Programme on "Learning Management System" for the faculty members on June 18, 2018 to June 22, 2018. The session will be handled by Dr. S.Ramkumar, Dean/Academics, KPR Institute of Engineering and Technology.

Venue: Seminar Hall

Time: 10.15 a.m.

PREVALENCE OF LMS

The promoters of this Institution are the Alumni of Government College of Technology, Coimbatore and National Institute of Technology (REC), Trichy. The college offers programmes in B.E., Computer Science and Engineering, Artificial Intelligence and Data Science, Electronics and Communication Engineering, Electrical and Electronics Engineering and Robotics and Automation. The objective of this programme is to provide quality education to the student community and ensure a place in the core industries as a distinct possibility.

OUR VISION

To enable easy accessibility of qualitative education to the student community and ensure a place among the top technical institutions in the country as a distinct possibility.

OUR MISSION

- Impart analytical and research oriented technical education
- Improve the learning experience for the students
- Implement required systems and processes for delivering consistent quality.

The Motto of Our Team UIT is

"Learn Research Innovate"

THE NEED FOR PD

Professional development training helps faculties to become better at planning and be more organized. Better classroom Management: faculties become better at classroom management that will pave way for a meaningful learning journey for the students.

COURSE CONTENT

- Day 1: Introduction to Learning Management System (LMS)
- Day 2: Course Creation
- Day 3: Course Management
- Day 4: User Course Resources
- Day 5: Report Generation

COURSE OUTCOME

Specific descriptions of what a student has demonstrated and understood at the completion of an activity or course. Each outcome is rated by some sort of scale. Other terms for outcomes are 'Competencies' and 'Goals'.
