Up Gradation on Presentation and Communication Skills-Report

Date: 11.10.2022

Time: 09.30 am to 04.00 pm

Venue: Seminar Hall

No of Participants: 234

The induction program was initiated by addressing the gathering. The program was invoked by the prayer song followed by which the resource person Mr.Sathishraja from Chandrayan Institute was introduced .He motivated the students in all the aspects and guided them on the requirements of up gradation of presentation and communication skills. These are the areas where the students are lagging and they act as a hindrance when going in for interviews. The prime motive was to create awareness and positivity among the student fraternity.The guest shared his experience which was a good motivation to the students. He also mentioned the important things which are required for the students to meet the expectations of the industries. The both session had more practical and interactive sessions. The event created awareness and enriched knowledge among the young, aspiring engineering professionals. The Program ended up with a feedback session followed by the National Anthem.

PREAMBLE OF UIT

The promoters of this Institution are the Alumni of Government College of Technology, Coimbatore and National Institute of Technology (REC), Trichy. The college offers programmes in B.E., Computer Science and Engineering, Artificial Intelligence and Data Science, Electronics and Communication Engineering, Electrical and Electronics Engineering and Robotics and Automation. The objective of this programme is to provide quality education to the student community and ensure a place in the core industries as a distinct possibility.

OUR VISION

Empowering students with competitive aspects of Engineering and Technology through innovative teaching-learning, applied research, nurturing their career with entrepreneurial prospects and thereby moulding them to become good citizens with human values

OUR MISSION

1. To inculcate students with knowledge in cutting edge technologies through innovative teaching-learning process.
2. To impart skills focusing on applied research-oriented learning.
3. To build engineers specialized in technical skills and entrepreneurial skills.
4. To develop great citizens with moral values confronting worldwide challenges

The Motto of Our Team UIT is

“Learn Research Innovate”

THEME OF PROGRAM

Language and communication skills Program can help make better impressions on others, and enable individuals to engage in clear conversations, in both oral and written form. With an ever changing global society, [developing interpersonal skills](#) like deft communication abilities can help students compete in the changing career landscape, digital advancements, and increasingly difficult competition in both colleges and the workplace. Academic success depends on solid communication skills, whether it be oral or written.

PROGRAM CONTENT

- Language importance, process and elements
- Listening skills
- Barriers to Effective Communication.
- Communicating with Confidence.
- Improving writing skills

COURSE OUTCOME

Communication helps us construct our social world. Students will always be more interactive in classrooms if they have strong communication skills. This interaction will lead to better clarity in understanding the subjects being taught. This would, in turn, lead to much better grades and eventual success in academics.

Congress on Consciousness of Well Being- Report

11.09.2022

Date: 08.09.2022

Time: 09.30 am to 04.00 pm

Venue: Seminar Hall

No of Participants: 153

The program was invoked by the prayer song followed by which the resource person **Ms.Ruby Anitha ,Principal** was introduced from United College of Medical Science. Team UIT was proud enough to invite the resource person who is familiar personality in the campus. She has provided the much needed information about the importance emotional wellbeing, which is also the need of the hour. The information provided by them was driven completely based on facts and much reference to his speech was made loud and clear. II and III year students attended the program in two batches.

The guest shared her experience which was a good boost to the students. They also stressed the importance of maintaining the good health along with emotional wellbeing. The event created awareness and enriched knowledge among the young, aspiring engineering professionals. The Program ended up with a feedback session followed by the National Anthem.

Tailor - Made Program and Activities for Executive Grooming- Report

Date: 26.08.2022

Time: 09.30 am to 04.00 pm

Venue: Seminar Hall

No of Participants: 41

The induction program was initiated by addressing the gathering. The program was invoked by the prayer song followed by which the resource person **Mr.R.Mohanraj** was introduced from Cannan Training Academy. He is having experience in training the students more than two decades. He motivated the students in all the aspects and guided them in the process of self grooming which would be a real asset when going in for interviews. The prime motive was to create enlightenment among the student fraternity. The program was conducted at seminar hall. The guests shared their experience which was a good motivation to the students. They also mentioned the important things which are required for the students to meet the expectations of the industries. The event created awareness and enriched knowledge among the young, aspiring engineering professionals. The Program ended up with a feedback session followed by the National Anthem.

Date: 09.08.2022 to 10.08.2022

Time: 09.30 am to 04.00 pm

Venue: Programming Lab2

No of Participants: 119

The induction program was initiated by addressing the gathering. The program was invoked by the prayer song followed by the introduction of resource person Mr. Shanmugam from Infygain Technologies. UIT was proud enough to invite the resource person who is Co-Founder of Infygain Technologies, Coimbatore. He is having three decades of experience in technology, Management and Execution. The program was organized by Training and Placement department.

In first phase of training, the major topics covered were using Canva tool for making worksheets, posters and info graphics. The second phase included topics such as Graphic organizers and presentations in Canva, and he is also introduced Wordle which is useful in students learning. He motivated and guided the budding Engineers. It was a completely hands-on workshop, they learnt more about the tools of ICT and majorly its usage in present day environment. The Program ended up with a feedback session followed by the National Anthem.

Yogathan- Surya Namashkar Challenge –Program Report

Date: 21.06.2022

Time: 09.30 AM to 01.30 PM

Venue: UEI Ground

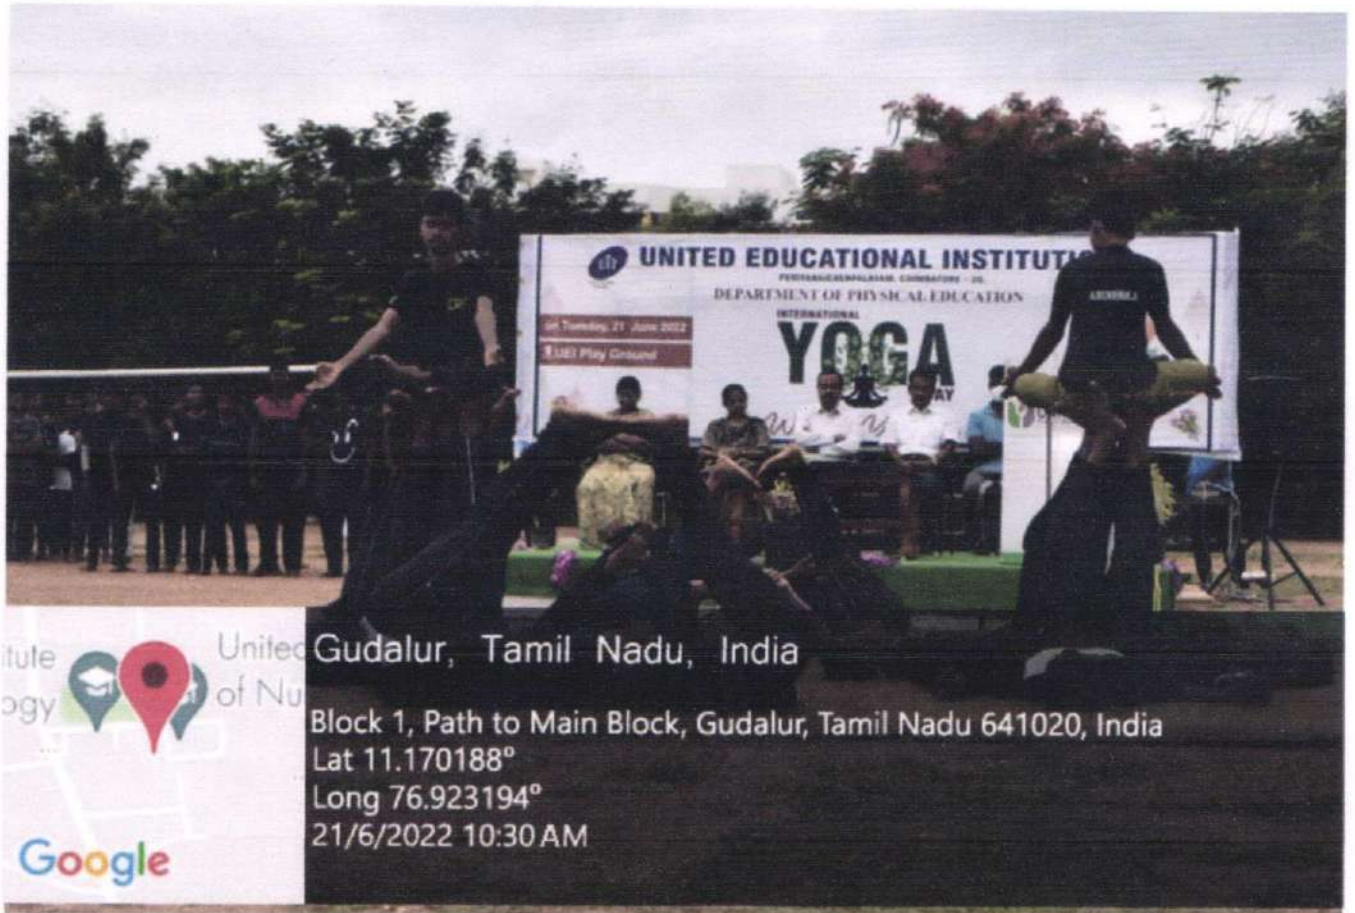

No of Participants: 267

The program was initiated by addressing the gathering. The program was invoked by the prayer song followed by which the resource person was introduced Mr. Shravana Prabhu, Certified Yoga Trainer , who is the founder of AIM Foundation. The program was organized by Department of Physical Education. They had extensively provided the knowledge about the centuries-old practice of Yoga. The program provided the much needed hands-on session about yoga and meditation practices, which is the need of the hour. The trainer taught the Suryanamashkar and simple short meditation during the session. He shared his personal experience, on practicing how these techniques have helped him to achieve what he has achieved today. It was a truly inspiring and motivation filled session. The proactive students made effective use of the session. The Program ended up with a feedback session followed by the National Anthem.
